Old palms can be returned to the parish. A box for this purpose is in the narthex.

Did you know?

The Entrance Procession symbolizes the movement of the Church from the old world to the new. For an hour, we leave the world behind and approach the sacrifice of the New Covenant. Even though just the priest and a few other ministers are in the Procession, the congregation can participate by mentally leaving behind all that is "un-holy" and preparing for the graces which flow from the Sacrament. We can spiritually "approach the altar" with the priest and offer up our personal sacrifices in union with the Sacrifice of the Mass. The spiritual meaning of the Entrance Procession, as leaving everything behind as we approach the altar, is a good argument that Mass begins with the Entrance Procession.

The Entrance Chant (or hymn) begins during the Entrance Procession. "Its purpose is to open the celebration, foster the unity of those who have been gathered, introduce their thoughts to the mystery of the liturgical time or festivity, and accompany the procession of the Priest and ministers. This chant is sung alternately by the choir and the people or similarly by a cantor and the people, or entirely by the people, or by the choir alone. If there is no singing at the Entrance, the antiphon given in the Missal is recited either by the faithful, or by some of them, or by a reader; otherwise, it is recited by the Priest himself, who may even adapt it as an introductory explanation." (General Instruction of the Roman Missal 47-48). The Antiphons, when they are recited as on weekdays, are taken from scripture, and are a reminder of the ubiquity of the Word of God within the Liturgy.

Parenting Tip of the Month

Parenting Tip 149 - As spring begins, we see new life erupting everywhere. This is a great chance to point out the beauty of God's creation to your children, as buds form, trees bloom and flowers grow. Remind them of God's creative power and how he created all this for us, but also gave us the task of caring for His creation. We must nurture and protect God's created world. It is also a chance to remind them that life too has cycles and we can begin anew – the Sacrament of Reconciliation allows us to seek forgiveness and start anew, just as nature does each spring! Family Ministry Office; 905-528-7988 ext. 2250.

Marriage Tip of the Month

Marriage Tip 129 - Easter provides us with a clear picture of how much God loves us, since he sent his son to die on the Cross so we could have eternal life. Easter highlights the importance of forgiveness and our call as Catholics to forgive both ourselves and others. Marriage is an essential place to put this call to forgive into action. Forgiveness means we let go of issues, after discussing and working them out, and then move forward in love. It means showing mercy when mistakes are made and remembering that forgiving allows us to put love first. So, remember to forgive in your marriages so you can both find a place of peace. Family Ministry Office, 905-528-7988 ext. 2250.
