Development & Peace

The dignity of human life – and all life – is the foundation of Christianity's moral vision for society. Today this life is being threatened by over-consumption and waste; we are called to change our ways. "The Amazon ... is a mirror of all humanity which, in defense of life, requires structural and personal changes by all human beings, by nations, and by the Church... How can we work together toward a world which breaks with structures that take life... in order to build networks of solidarity and inter-culturality?" (Synod of Bishops, 2018). See devp.org/act to sign the letter in support of the dignity of two indigenous groups in the Amazon.

Parenting Tip of the Month

Lent is an important time in the Church and a great time for parents to talk to their children about it. Lent begins on Ash Wednesday and ends on Holy Thursday, a six week period where we set aside time to reflect on Jesus' suffering and dying, which ultimately led to His Resurrection and eternal life for all who believe and live the faith. Lent is a time for fasting, prayer and reflecting on how much God loves us. Talk to your kids about Jesus and how he tried to change the world; work together as a family to better yourselves as His followers; consider giving something up for Lent and talk about how that small suffering can help relate to how Jesus suffered for everyone. Easter is a time of great celebration, use Lent to help your children understand why! (Family Ministry Office)
