Catholics urged to Support Physicians' Charter Right of Freedom of Conscience and Religion

The College of Physicians and Surgeons of Ontario (CPSO) in a proposed new draft document states: "Where physicians are unwilling to provide certain elements of care due to their moral or religious beliefs, an effective referral to another health care provider must be provided to the patient". Catholic physicians believe that a mandate for an "effective referral" is a violation of a physician's rights, as it *compels the physician to violate his or her own conscience by being a participant in the very act, the very procedure to which he or she objects in the first place*. The CPSO is accepting submissions from all Ontario citizens until February 20. We are all called to inform the CPSO in writing that we reject the proposed "effective referral" mandate for doctors whose Charter right of freedom of conscience and religion must be respected. The Catholic Civil Rights League (CCRL) is one Catholic lay group coordinating these efforts. Go to www.ccrl.ca to find out more and to get involved.

New Beginnings Widow/Widower Support Group

Looking for hope and guidance after the death of a spouse? Searching to lighten this burden of loneliness and sadness? The group meets in an informal setting where they share in faith and learn from each other. You are most welcome to join them as they seek answers to help prepare them for their new journey. Blessed Trinity will be hosting **six Fridays from March 13 to April 24, 7:30 – 9:00 pm (no class on Good Friday) in the Atrium Room, off the parish hall**. For more information, please e-mail Mary Muir at muirmary@gmail.com.
