Don't miss this opportunity to see Pope John Paul II for the first time ever on the "big screen"! This movie was made in cooperation with the Vatican and received a blessing from Pope Benedict XVI.

Admission is a donation. Proceeds are to fund an RESP program for children living in poverty in the parish. For information please contact: Bob Ossowski at 416-453-1494 or email bob.ossowski@gmail.com.

Fellowship of St. Joseph

The next meeting of The Fellowship of St Joseph of the AHC will be held on **Tuesday, February 18, 2014 in the parish hall at 7:00 p.m.** The topic will be Fr. Robert Barron's Catholicism DVD Series Lesson 2 – "Happy are we: the teachings of Jesus". All are welcome.

Our frozen pans of **Chili** for the **Good Shepherd Refuge** are due in the parish hall by **next Sunday**. The deadline is always the last Sunday of the month, after the last Mass (7:00 pm). We

thank all our loyal chili cooks, and invite anyone who is willing to help us feed the hungry to pick up a pan and recipe from the parish office. The recipe is easy and delicious and makes enough to fill the Good Shepherd pan, with leftovers for your family's dinner. It takes so little effort to help us realize Christ's words: "*For I was hungry and you gave me food.*" (Mt 25:35).

'Family Day'
Monday, February 17, 2014
Mass will be at 9:00 a.m.

REGULATION OF PROCREATION

Catechism of the Catholic Church #2367-2370

Called to give life, spouses share in the creative power and fatherhood of God.¹⁵³ "Married couples should regard it as their proper mission to transmit human life and to educate their children; they should realize that they are thereby cooperating with the love of God the Creator and are, in a certain sense, its interpreters. They will fulfill this duty with a sense of human and Christian responsibility" (GS 50(2)).

A particular aspect of this responsibility concerns the regulation of procreation. For just reasons, spouses may wish to space the births of their children. It is their duty to make certain that their desire is not motivated by selfishness but is in conformity with the generosity appropriate to responsible parenthood. Moreover, they should conform their behavior to the objective criteria of morality:

When it is a question of harmonizing married love with the responsible transmission of life, the morality of the behavior does not depend on sincere intention and evaluation of motives alone; but it must be determined by objective criteria, criteria drawn from the nature of the person and his acts criteria that respect the total meaning of mutual self-giving and human procreation in the context of true love; this is possible only if the virtue of married chastity is practiced with sincerity of heart (GS 51(3)).

"By safeguarding both these essential aspects, the unitive and the procreative, the conjugal act preserves in its fullness the sense of true mutual love and its orientation toward man's exalted vocation to parenthood" (cf. HV 12).

Periodic continence, that is, the methods of birth regulation based on self-observation and the use of infertile periods, is in conformity with the objective criteria of morality (HV 16). These methods respect the bodies of the spouses, encourage tenderness between them, and favor the education of an authentic freedom. In contrast, "every action which, whether in anticipation of the conjugal act, or in its accomplishment, or in the development of its natural consequences, proposes, whether as an end or as a means, to render procreation impossible" is intrinsically evil (HV 14).
