"Pray to End Abortion" – [www.ProLifePrayers.org](http://www.ProLifePrayers.org)

"Dear friends:

May I take this opportunity to say 'thank you' to so many who supported me and my family in our hour of sorrow. The days preceding my mother's funeral and the day of her funeral Mass

seemed to me, a beautiful reflection of what a Catholic parish really is: the faithful, shepherded by their pastor and yet the pastor always needing the prayerful support and love of his people. How wonderfully Christ brings us together as the parish family of Blessed Trinity.

The Guard of Honour all the way to the hearse touched us very deeply and we understood how much you share in our sadness. It has been a great blessing to grow up in a family filled with laughter and knowing how to appreciate all that God has given to us. My mother was at the heart of this, as all good mothers are. On behalf of my sister Jo Anne who cared for her so carefully over so many years, and my sister Mary (Sheehy) Doris and all my family and friends, again I say sincere thanks for so much kindness. The following, written by Bl. Mother Teresa of Calcutta, is perhaps a fitting way to sum up the countless blessings and true joy that Mary and her Divine Son granted to my mother all through her life."

*Msgr. Sheehy*

"I slept and I dreamed  
That life is all joy,  
I woke and I saw  
That life is all service.  
I served and I saw  
That service is joy."

**PRIEST AND MASS  
'YEAR OF THE PRIEST'**

".....The two missals, also united in the celebrations of the respective anniversaries, are two forms of the one "lex orandi" (law of prayer) of the Church of the Latin Rite. Pope Benedict XVI has expressed himself in this manner, teaching that, in relation to the missal of Paul VI, "the Roman Missal promulgated by St. Pius V and reissued by Blessed John XXIII is to be considered as an extraordinary expression of that same 'lex orandi,' and must be given due honour for its venerable and ancient usage. These two expressions of the Church's 'lex orandi' will in no way lead to a division in the Church's 'led credendi' (law of belief). They are, in fact, two usages of the one Roman rite. It is, therefore, permissible to celebrate the Sacrifice of the Mass following the typical edition of the Roman Missal promulgated by Bl. John XXIII in 1962 and never abrogated, as an extraordinary form of the Liturgy of the Church."
