Working wonders for people locally and around the world.....

Pope Francis reminds us that this is the year of mercy. How do we extend the hands of Christ to others in our daily lives? For some, it may be caring for an elderly relative, volunteering at a soup kitchen, or helping to collect food or raise funds for charity. In our busy society, many of us do not have the time to actively participate, and as such we rely on the many agencies within our community to provide love, care and support to those in need. In the Archdiocese of Toronto, our annual ShareLife appeal provides resources to over 40 agencies, bringing much needed programs and services to those both here in our communities and around the world. Collectively, through our support, we share in their success in making a positive difference in the lives of those they serve. Next Sunday is the first ShareLife collection. Over the next week, consider your ability to help your brothers and sisters in Christ, and make a contribution to our annual appeal. You will be helping to make a difference - indeed you will be working wonders!
