### The wonders of community...

We are born as individuals, with specific personal skills – and limitations. At our best, we live as a community, working to support and strengthen those who need an extra hand. Whether people are struggling with addictions, physically impaired, or living with a development disability, we believe they should have the opportunity to live with dignity and self-respect. ShareLife-funded agencies touched the lives of more than 20,000 people with special needs last year, helping small wonders happen every day.

### 3<sup>rd</sup> ShareLife Collection – May 31, 2010

Please give generously. You can work **WONDERS!**

### Prayer to St. Monica Patroness of Mothers

"Exemplary Mother of the great Augustine, you perseveringly pursued your wayward son not with wild threats but with prayerful cries to heaven. Intercede for all mothers in this day so that they may learn to draw their children to God. Teach them how to remain close to their children, even the prodigal sons and daughter who have sadly gone astray."

*Saint Joseph Prayer Book*

**The Pope's Pastoral Works Collection - May 16<sup>th</sup>**

A disastrous flood or earthquake strikes a nation at the other end of the world; immediately many countries rush in food, medicine, blankets, money, and trained people. Prominent among such aid is the financial help offered by the Holy Father to people in need. Each year at this time, Canadian Catholics are asked to give generously to this papal collection, which is passed on to the Holy Father for his use among those stricken by natural disasters. Those who are generous in their response to Christ's appeal for his needy brothers and sisters will someday hear his words.

**Marriage Encounter** – A second honeymoon is a perfect way to celebrate a wedding anniversary. **Queen of Apostles Renewal Centre** offers married couples the privacy, hospitality and program that inspire couples to continue exploring their lives together. Whether it is for yourselves or a couple you know, the next weekend is **May 14-16**. For information call 416-694-1742 or 905-278-8879; register at 905-278-5229.

**We express our prayers and gratitude for all mothers  
for goodness and love.**

*If through faith Mary became the bearer of the Son given to her by the Father through the power of the Holy Spirit, while preserving her virginity intact, in that same faith she discovered and accepted the other dimension of motherhood revealed by Jesus during His messianic mission. One can say that this dimension of motherhood belonged to Mary from the beginning, that is to say, from the moment of the conception and birth of her Son. From that time she was "the one who believed." But as the messianic mission of her Son grew clearer to her eyes and spirit, she herself as a mother became ever more open to that new dimension of motherhood which was to constitute her "part" beside her Son. Had she not said from the very beginning: "Behold, I am the handmaid of the Lord; let it be done to me according to your word." (Lk 1:38). Through faith, Mary continued to hear and to ponder that word, in which there became ever clearer, in a way "which surpasses knowledge" (Ep 3:19), the self-revelation of the living God. Thus in a sense, Mary as Mother became the first "disciple" of her Son, the first to whom He seemed to say: "Follow me," even before He addressed this call to the Apostles or to anyone else (cf. Jn 1:43).*
