Let's Put Women at the Heart of Peace – Sign the Development and Peace postcard that is attached to this week's bulletin. Women are among the most vulnerable during times of war. They are also important when it comes to creating and sustaining peace. Did you know that a peace agreement is 35% more likely to last at least 15 years if women help build it? Next Sunday, on the feast of Christ the King, Cardinal Collins invites you to participate in an archdiocesan weekend of action to put women at the heart of peace by signing a simple postcard and placing in the box on the table at the back of the church. It asks the federal government to give women around the world the resources they need to be at the heart of peace.
