## **PARENTING TIP OF THE MONTH - Parenting**

**Tip 137:** Children of all ages, but especially very young children, take their clues on how to respond to the world for the most part from their parents. No one will have a greater impact on your child. So, as you go about your day, know that your children are watching and listening to everything you say and do and taking lessons from you. Communicate about actions, life, the faith, on a day-to-day basis to help solidify what is important. Check your own actions and remember silence is consent, so if hear or see something that you know is wrong, speak up and tell your children why. We need goodness in our world and you have the power to teach it.
