STORIES OF A GENERATION WITH POPE FRANCIS

is the title of a warm, uplifting and inspirational series on NETFLIX. The series began on December 25th – and is based on the Pope's 2018 book, *Sharing the Wisdom of Time*, published by Loyola Press. The series showcases stories from people over 70 from all quarters of the globe, including the Pope himself, as they impart their life experiences to young filmmakers. Each of its four one-hour episodes is devoted to a central theme: "Love", "Dream", "Struggle", and "Work". There are a few famous names among the stories, including Martin Scorsese and Jane Goodall, but most of those who are presented have never lived in the spotlight! If you subscribe to NETFLIX, it is well worth a watch!

PARENTING TIP OF THE MONTH - Parenting

Tip 136. Our children are, in many ways, like sponges absorbing all we say and do. Even when we think they aren't watching or listening, they are often taking in our comments, actions and attitudes. In fact, our influence lasts their entire lives and impacts them throughout their lifetime. Equally important is what we don't say about something they are seeing or hearing or doing, since silence is considered consent. Parenting takes constant work, which is why it is considered a vitally important vocation. The rewards, however, of seeing your children grow into healthy, strong adults is worth the effort.

MARRIAGE TIP OF THE MONTH - Marriage

Tip 116. Some people drift into their relationships over a number of years, but it can also be said that people drift out of their relationships as well. We can become complacent and take for granted all the nice things a spouse does for us and/or sometimes we stop doing nice things for them. Over time we compliment less, spend less time together, stop sharing our day, feelings, or hopes and dreams and suddenly lose sight of the other. When we continue to treat our relationship as new, taking the time to discover who the other is and complimenting them for it, we stay firmly attached instead of drifting apart.
