PARENTING TIP

Helping our children to become less focused on themselves and more interested in their neighbour is an essential role of every parent and caregiver. Children do not often think of others before themselves in the early years of their lives, so from a young age be sure to set clear limits on their behaviour and the "things" they get, so they don't become entitled; praise them whenever you witness an unselfish act, no matter how small; model unselfish behaviour both within and outside the home by sharing time, goods and talents. Children thrive in relationships, show less anger and aggression and feel good about themselves when they look outward, not inward. Jesus himself taught that next to loving God, loving your neighbour is our most important role. (Family Ministry Office, 905-528-7988 ext. 2250)
