OOPS! On the Financial Report the total expenditures listed was \$564,561.00. That was a typing error. If you add the expenditures the correct total is \$410,561.00 which is the correct figure and balances the reconciliation on the last page of the Financial report. Sorry for the confusion.

Thanks for all the sock donations for The Main Street Project, they were gratefully received. As Chez Nous/Our place is now closed for the summer, the needs of The Main Street Project, "TMSP", continues 24 hours a day / 7 days a week. TMSP is not a glamorous place but it does care for those experiencing the worst on the North Main strip. It is a place for some to safely spend the night, deal with their addictions, and receive some medical attention. They are in constant need of socks, men's & ladies underwear & shirts of any type.

Perhaps through our thoughts, prayers, and these simple clothing donations some of these less fortunate souls may move beyond this terrible life style. Please use any of the 2 donation boxes at the rear of the church.

Thank You, The Human Concerns Committee

In the last bulletin we talked about the "top reasons to become a catechist" This

week we'll look at "I'm hesitant to become a catechist because..."

I'm not that holy...I'm just a regular person / I'm not sure that I have anything to share

Teaching religion is about helping the children learn about God. Catechists help the young people get to know Jesus and to foster a relationship with Him. If you're thinking about serving God as a catechist, you probably have a relationship with Our Lord already. And your good relationship with God probably happened as part of a process, not all of a sudden. You can share some of how you got to where you are with God now.

And as far as not being holy enough goes, let's look at the example of the canonized saints. They considered themselves regular people, too. They love God with all their mind, with all their heart, and with all their strength. Does that sound like someone else you know?

I'm not sure that I know what the Church teaches / I'm afraid I'll say something wrong

Finding God, our new catechetical resource is in conformity with the Catechism of the Catholic Church. That means that everything in our textbooks is in line with what the Church teaches. The key is never to guess at what the Church teaches. If you don't know, just say, "I'm not sure, let me get back to you"

I don't know if I'll be able to answer kids' questions

Our resources are very easy to use and the answers to most questions you will be asked will come from the text. However, sometimes, kids come up with really excellent questions that are not all that easy to answer. There is absolutely nothing wrong with saying, "I don't know, but I'll find out and tell you next time we meet."

I don't know if I have the time

Being a catechist is a time commitment, however our new resource requires minimal preparation.

If you are still not convinced, why not become an assistant or substitute catechist to get a feel for what it is like.

I don't have any formal training to teach / I've never taught before

"God doesn't call the qualified; He qualifies the called." Our catechetical team is just that, a TEAM. The support we give one another is a constant reminder that we are not alone. Our new resource provides catechists with all the information needed to successfully lead our children in faith. No experience needed!

I don't know if I can handle a group of kids / I don't know if kids will like me

Everyone is nervous going into a classroom on their first day of teaching. The good news is that the children already know how to behave in a classroom from being at school. They know what acceptable behavior is and what it is not.
