Stewardship – Faith on Fire, Hearts & Minds Transformed,

Today's reading from Acts is a classic stewardship reading. None of the Apostles claimed that their possessions were their own. The truth is we don't own anything, it all belongs to God. Good stewards share everything they have. Sharing is a response of both the head and the heart. In believing that everything we possess is a gift from God, we make a conscious decision to share it. Thus, our grateful hearts lead us to joyful generosity, not out of obligation or duty, but out of gratitude to God and love for one another.

Easter Thank You – I would like to thank all persons involved in helping make our Holy Week and Easter celebrations a joy to behold. In particular, and of note, was the music ministry, which involved many hours of preparations and took in all of this year's Masses and Services. The decoration of the Church as well as the Hall for the Easter Vigil reception, is beautiful. Our two Deacons, Claude & Robert have also put in many hours of work in preparing the services and in getting all things working together. It is difficult to name everyone because for sure someone will be forgotten, but to you all a heartfelt thank you for your good work and effort in making this year's celebration wonderful. - Fr Paul Tinguely
