### Sharing God's Gift's and Parish Assessment With

2017 being a transitional year, parishioners are asked to continue to contribute to Sharing God's Gifts at the same level as in the past but we ask that you split the contribution in two parts. **60% to Sharing God's Gifts** and **40% to St. Charles in the special envelopes marked "Parish Assessment" (found in the pew or foyer office)**. If you are contributing to Sharing God's Gift thru pre-authorized payments with the Archdiocese, there is no need to make a change at this time.

If you have never contributed to Sharing God's Gifts we would ask that you consider contributing to the St. Charles Parish Assessment. Contributing to the Parish Assessment in the special envelopes provides a financial advantage to the parish. Thank you for your contributions to date in both these funds and considering contributing.

Yours in Christ,

St. Charles Parish Finance Council

**Catechism:** No classes this Easter weekend. Religious education will resume next Sunday April 23. **Happy Easter!**

### **Papal Prayer Intention**

**Young people:** That young people may respond generously to their vocations and seriously consider offering themselves to God in the priesthood or consecrated life.

**Dear brothers and sisters in Christ,**

Alleluia! He is risen from the dead! Let us celebrate with joy the freedom and new life Christ has won for us on the cross. I thank all of you for your extra efforts of fasting, prayer, seeking reconciliation and giving of your time and resources to those in need. As we offer those to the Lord, these works can be united with His sacrifice of love and obtain special graces for those who need it and as well, the light of Christ shines more brightly in us to help others to find the Risen Lord. Just remember--Easter is 50 days and we should celebrate; do not imitate our culture who declares Easter over after Easter Sunday. Easter is key for our faith lives and is to be lived, celebrated, and shared with all we meet.

So, from my family to yours (as I will be joining my family in Portage la Prairie), have a Blessed and Joyous Easter season!

Yours in the Risen Lord,  
Fr. Michael,  
Pastor

**Pyxes for Communion**--Lately I have been going out to make communion calls and visits to some of the sick and in the hospital; however, we are short on pyxes at this time. If you are not doing a permanent ministry to the sick or a loved one, we need you to return the pyxes ASAP. First of all, there may be others who need to borrow a pyx who have been commissioned to bring communion to the sick. Second, sometimes there are fragments of Jesus left in the pyx, and so must be returned so we can properly purify them for future use. Also, we ask that when you take communion to the sick, it must be the same day--no one is allowed to keep Jesus overnight in their homes or on their person without my express consent. We are in need of more ministers of communion to the sick, as we now potentially have a few people who require that ministry and are unable to go to church. If you are interested in the possibility of serving the parish in this capacity, please contact the parish office. Thanks! Fr. Michael
