Stewardship – Faith on Fire, Hearts & Minds Transformed,

Church is really all about living out what we celebrate both today and every Sunday through the day-to-day activities of our lives. What is church like for you, in your home, at work and at play? The Church gives us the Acts of the Apostles during the 50 days of the Easter Season to show us how to be church. Through our baptism and confirmation Christ himself has given all of us a share in the mission of His Church. How are you using your gifts in engaging in the mission?
