### **Stewardship Moment- 18<sup>th</sup> Sunday in Ordinary Time**

In today's Gospel we find an equation the disciples of Jesus couldn't solve: Five loaves and two fish divided by 5,000- plus people. They failed to recognize Jesus in the equation; that whatever they had to offer, Jesus could take it and bless it and satisfy the hunger of the crowd with it. Good stewards recognize that the Lord can work miracles with the gifts they offer to a hungry and broken world. How often are we willing to offer our gifts in faith, even as insignificant as we think they are, and count on the Lord to do the rest? How often do we count Christ into the equation? (From the August issue of the International Catholic Stewardship Council, Catholic Stewardship)

**Thank you for your support!**

A big welcome to all visitors and travellers to St Charles Parish. May God bless you in your visit.

**From Pope Francis** - "Christians are not made in a laboratory, but in a community called the Church. There is no such thing as a 'do-it-yourself' Christian or 'free agent' when it comes to faith. Every Christian can trace his or her faith back to parents, grandparents, teachers or friends. - Remember: being Christian means belonging to the Church. If your first name is Christian, your last name is Member of the Church."
