Stewardship Moment- Feast of the Baptism

Saint Matthew's story of the baptism of Jesus is an appropriate scripture reading to reflect on our own baptism. Jesus' baptism has been understood as a symbol of his death. Baptism is the sacrament by which we die to an old life of sin and enter a new life of grace. We "put on Christ." To be a good steward of one's baptism means to accept that one has new life in the risen Lord and is willing to be guided by the life of Jesus. As the New Year begins to unfold, reflect on the meaning of your own baptism, and how you might make an even deeper commitment to a new life in Christ Jesus.

From the January issue of the International Catholic Stewardship Council, Catholic Stewardship

"The Lord will bless his people with peace."

(Responsorial Psalm)

"The heavens were opened and the Father's voice was heard: this is my son, the beloved; listen to him!"

(Gospel Acclamation)

A **reminder** to put your name address and phone number on the first 3 or 4 envelopes used this year. This will ensure that the parish records are accurate and you are credited for your donation.
