Stewardship Reflection-3rd Sunday in Ordinary Time

We are the body of Christ. Christ's body, the church, is made up of a diverse group of people with an equally diverse set of gifts. All of the gifts serve a purpose, none is more important than the other. Is the heart more important than the veins? In our physical bodies all the parts are essential for optimum health. It is the same with the body of Christ. It is essential that we all work together, sharing our gifts to build up the Church and transform our world. Exterior Church Doors

Please ensure that when you are exiting the Church that the exterior Church door, including the adjoining emergency fire door is locked and latched. We need to do our part so everyone is safe and strangers are not wondering around. Also, so Church property is not vandalized as well. – Thanks
