SHARE LENT 2019

SHARE THE JOURNEY with those forcibly displaced in Colombia. In Colombia, over 6.5 million people have been forcibly displaced due to conflict, violence, natural disasters, and development projects. With your support, Development and Peace's partner the National Agrarian Coordination (NAC) is working with indigenous women, many of whom are victims of forced displacement, to help them gain the skills and confidence to be intermediaries with the authorities. By promoting inclusive and participatory democracies, we are addressing one of the root causes of forced migration! See page 10 of your Minimag. Next week is Solidarity Sunday, when the extra Share Lent collection in support of the work of Development and Peace will take place. Your generosity has a real impact on the lives of our sisters and brothers in the Global South! Please use the blue Development and Peace envelope found in your donation box. If you do not have envelopes you can pick up a D & P donation envelope from the display at the back of the church. Please make your cheque payable to St. Charles Parish and mark it for Development & Peace. And keep praying!

First, let me just say thank you! Your recent donation of new baby items, playpen, diapers, blankets and clothes means that you understand just how valuable Villa Rosa's services are to vulnerable pregnant women in our community. But let me tell you what our services mean to some of the young women who have stayed with us and attended the programs and schooling we offer: Villa Rosa has helped me learn to parent and take care of my child, gave me all the supports I needed and taught me a lot. I am glad I moved to Villa Rosa because if I hadn't, I wouldn't be where I am now. Thank you! I really have no clue what life would be like right now if I didn't have Villa's help. I think I would be homeless and depressed. Now I see a future for me and my baby.

I am truly thankful for the angels at VR. When I felt I had no one or nowhere to go you were my light in the window offering me the guidance and support I really needed at this time in my life. I am sure the above comments underscore the reason you gave and why we and the women we serve are full of gratitude for your generosity. Donors like you help make our services to moms and babes possible: a safe place to stay, education, programs, healthy meals. Again, thank you! We love your support.

Best always, **Kathy Strachan,**
Executive Director, Villa Rosa
