### *Stewardship Moment- Fifth Sunday of Easter*

In the first letter of Peter, we are taught that God made us and chose us to reveal to the world who he is. Christian stewards understand that

they do not live for themselves. They live to be stewards of Christ's presence within them, and to make his presence known to others. They do it at Mass. They do it in faith-sharing groups. They do it at work. And they do it daily in a thousand different ways; and where they express their love for God and others in a manner that suits their situation and personality. Name for yourself some of the ways this week you will make Christ's presence known to others.

(From the May issue of the International Catholic Stewardship Council, Catholic Stewardship)
