Stewardship Reflection

In today's reading from Acts a diverse group of people is gathered at Pentecost. Even though they certainly did not have a uniformity of beliefs or traditions, they were united as one by the same spirit. Our parish is blessed with a similar diversity, and when we unite our gifts together in the service of God, His Church, and one another, we continue to build a Church of Communion. Thank you for sharing your gifts.

St. Charles 9:30 choir needs new members. We are sending you some information on the benefits of singing, not only for the soul, but also for healing and well-being.

Here are some statements compiled from a Globe and Mail article. Singing, especially in choirs, is **good for the body, mind and soul**, no matter what your age or ailment.

Singing reduces **pain perception** and acts as **pain diversion**. Singing **improves breathing and posture, improves our social, spiritual and emotional well being. It is helpful for the heart and immune system. It promotes better sleep, relieves asthma, elevates energy, alleviates depression, reduces stress, gives a natural high.**

When you're happy, you're healthier. It's hard to be sad when you're singing.

From the Bible comes this verse: **"Make a joyful noise unto the Lord, all the earth: make a loud noise, and rejoice and sing praise."**

And from Miguel de Cervantes, Spanish poet and novelist comes this: **"He who sings scares away his woes."**
