Stewardship Reflection

In today's Gospel Jesus tells His disciples not to be troubled or afraid. We can worry about a lot of things in our day-to-day lives. At times it may be hard to trust God, with the result that we cling to things too tightly. Trust is a virtue at the heart of the stewardship way of life. Peace will never be found in the things of this world. Trusting in our good and gracious God who provides all we need is the only source of lasting peace of mind.

CELEBRATE FAMILY, NURTURE LIFE

Participate in *Respect for Life & Family Week*, 12-19 May 2013

Come and be part of the gifters! Together as a Church let us offer the gift of family to the society of tomorrow, which is formed in the family of today. The nucleus of the family is of such importance to the Christian faith that through the ages it has been called the "domestic church." It is in the family that life is received, nurtured and given to society. Unite with parishes across Canada to mark **Respect for Life and Family Week, 12-19 May 2013**. Join in the parish prayers, activities and events throughout Manitoba as we celebrate the family and nurture the gift of life.

St. Charles 9:30 choir needs new members. We are sending you some information on the benefits of singing, not only for the soul, but also for healing and well-being.

Here are some statements compiled from a Globe and Mail article. Singing, especially in choirs, is **good for the body, mind and soul**, no matter what your age or ailment. The singing voice is like a muscle. We can develop it. Singing reduces **pain perception** and acts as **pain diversion..** Clinical evidence has proven that music can improve **motor function, communication and cognition** for many brain-based conditions, such as Alzheimer's and Parkinson's. Singing **improves breathing and posture, improves our social, spiritual and emotional well being. It is helpful for the heart and immune system. It promotes better sleep, relieves asthma, elevates energy, alleviates depression, reduces stress, gives a natural high.** **When you're happy, you're healthier. It's hard to be sad when you're singing.** From the Bible comes this verse: **"Make a joyful noise unto the Lord, all the earth: make a loud noise, and rejoice and sing praise."** And from Miguel de Cervantes, Spanish poet and novelist comes this: **"He who sings scares away his woes."** Madeline Coopsammy for the Choir
