Stewardship Reflection "For all of them have contributed out of their abundance", Jesus says of the rich people who gave large sums to the temple treasury. The widow in today's gospel expresses her love for God by giving of her substance, not from what she had left over. Good stewardship and authentic generosity is not measured by the size of the gift but by the level of the sacrifice. **Stewardship Office, The Archdiocese of Winnipeg, www.archwinnipeg.ca**

MIXED RETREAT; DECEMBER 1, 2012 at St. Charles Parish

"What is a MIXED RETREAT?" you ask. It is a day long (9 to 3:00) time of quiet and reflection on topics of a spiritual nature that affect our lives. It is called "mixed" as both men and women are invited, individuals as well as couples.

This year the topic will be A NEW LOOK AT ADVENT. Father John Kratcher will present reflections on this subject and lead us in seeing how we are individually and collectively touched by the season of Advent. Please mark your calendars and watch the bulletin for further information.

Celiac Concern - Celiac is an auto-immune condition caused by a reaction to gluten protein found in wheat and other common grains. In the Catholic Church, the required use of "wheat flour" for hosts may preclude most gluten sensitive individuals from receiving Holy Communion. St Charles parish, compassionate to the needs of her parishioners, is seeking to provide an acceptable means or a solution, whereby, all, or, as many persons, as possible, may participate in the reception of Holy Communion. To help us meet that outcome, Fr. Paul Tinguely would like to meet with those persons who are most affected by celiac disease. With this in mind, parishioners with celiac concerns and/or family members are invited to attend a gathering/meeting with Fr Paul and his designate on Thursday, November 22, 7:00pm at the church. Your enlightenment / suggestions will be most helpful in helping us move towards a positive solution and outcome of this situation. Thank you.
