Kindness has converted more people than zeal, science, or eloquence. — Blessed Teresa of Calcutta

Special note about the furnace and boiler: Recently, we had to spend 15 000 dollars to repair our heating system. However, we had a problem during the time of repairs; someone took it upon themselves to intervene and manipulate certain switches, which affected the pump system. Had this occurred in extremely cold weather, we could have had serious damage to the unit, which would have cost us even more money. This had been discovered by those qualified to operate/maintain the system. Therefore under no circumstances of any kind is anyone not sanctioned by the parish office allowed to touch anything in the boiler/furnace room. Thank you for your compliance and understanding. Yours in Christ, Fr. Michael, Pastor

Ushers and Greeters

We will be looking at revamping the usher and greeting ministries as part of the ministry of hospitality. We are looking for people who would be willing to assist on a regular basis in these ministries. We will have sign up sheets for people to sign up for these ministries. Our hope is to have people available for each Mass at 4pm on Saturdays, 930am and 1130am on Sundays. Our hope is to have people to be able to assist once a month; if more take part even better. A detailed list of duties/expectations for those interested will be in the bulletin next week. Training will be provided.

CANADIAN CATHOLIC ORGANIZATION FOR
Development and Peace

DEVELOPMENT & PEACE - FALL CAMPAIGN "CREATE A CLIMATE OF CHANGE" Today

we ask you to make a personal commitment to climate change. You can do this by signing one side of the card available at the back of the church. We also ask you to sign the card's other side which is addressed to the Prime Minister of Canada. We will collect the signed cards and they will be presented, together with cards from all across Canada, to our government. It's a pretty small, simple gesture – but if every Catholic across the country signed a card – what an impact it could make. Be a part of this global movement to protect the Earth! Join D & P and people around the world who care about our planet and the world's people by taking action on climate change. Let's stand with Pope Francis and protect our common home. Together, we can achieve climate justice! If you need time to reflect you may take the card home and bring it back no later than next weekend please.
