Dear parishioners,

I have heard on many occasions concerns about 'communication' of news in the parish, via the bulletin and announcements. One way that could be used to help get the news out sooner would be to set up an e-bulletin, the bulletin by email. For those who sign up for this option, you could receive it long before the Mass on the weekend and be fully aware of what's coming up in our community. As well, to have an email database would allow us to get critical news of upcoming events out earlier to you as well. I realize not everyone has access to email or knows how to use it--but for the majority of us, it would be useful for these purposes. As a special note, your email will not be given out to other parties--it would strictly be for communicating parish news/events in a timely way. In this week's bulletin and next you will find a form to fill out with the option for the bulletin by email, which can simply be chosen by checking off the 'yes'. As well, we would appreciate that you would give us any address changes as well, as people do not always tell us--we need help in keeping our registered parishioner list up to date. We also encourage anyone who is not registered to please register if St. Charles Parish is your spiritual home since it is critical at times to help plan strategically and financially for the future. Thanks for your assistance and we hope that this will help. If you have questions please feel free to call us at the office or email stcharls@mymts.net.

Yours in Christ,
Fr. Michael
