DEVELOPMENT & PEACE- FALL CAMPAIGN "WOMEN AT THE

HEART OF PEACE"

This fall, let's pay tribute to women who build peace! Across the world, brave women are coming together to struggle, to resist and to build a more peaceful world. This fall, Development & Peace – Caritas Canada is introducing you to three of these women. Read the enclosed brochure or consult our material at devp.org/campaign/resources and get acquainted with **Luz Estella Cifuentes**, a Colombian woman who leads an inter-ethnic political training school for peasant farmers, Afro-Colombian and indigenous women; **Jamila Safi**, an Afghan woman who provides training for imams and women on women's rights; and **Rabia Kadiry**, a Syrian woman who organizes workshops to build social peace in Lebanon. And if you are interested in reading a Catholic "faith-based reflection" on Women at the Heart of Peace please pick up an information page called 'May Peace Be With Her' which is found at the back of the church. We will be signing cards to send to our Government after all the masses next weekend. We hope you will take time to sign one and stand in solidarity with the women at the heart of peace.
