**A Stewardship Moment**

If we want to know what Jesus' parable is about in today's gospel, it seems that we don't need to work too hard because Saint Luke tells us right at the beginning: "Jesus told his disciples a parable about their need to pray always and not to lose heart." This parable has often been used to bring comfort to us about our prayer life. But could there be a more challenging message for those who take stewardship seriously? Widows were the poorest and most vulnerable of people in Jesus' time. Oppressive legal and economic structures were the norm. Could it be that we are also encouraged to pray persistently for the poor, the weak and the vulnerable as we hear their cry for justice? And that we must not lose heart that we can effect change in their lives? (from the October issue of the International Catholic Stewardship Council, Stewardship e-bulletin)
