CAN YOU HELP? -- At St. Charles Catholic School, we have a Roots of Empathy program. It is a terrific program which teaches emotional literacy, the ability to identify feelings, as well as teaching diversity and caring. To be able to teach this wonderful program, we are in need of a Mom and a baby. If you are interested, and have had a baby in June, July, August, or coming in September, I would love to hear from you! The commitment would be for the 2019-2020 school year and would involve 9 parent/baby classroom visits. More information will be provided to you if this sounds like something you might be interested in. Please contact me directly if you are interested, or have any questions, at tnarynski@stccs.ca.

IT IS AN EMERGENCY

All of the Green Gather keyboard music books have gone missing. If you have them in your possession, please return them to the church. These books are not to be removed from the church space. They are available for use to all choir and extended keyboardists that come to our parish. If you have stored them outside of the choir area please return them to their appropriate spot. Without these books the music ministry may not be able to assist at the appropriate services.

Thank you. Madelaine Kotowich
