A significant fact about poverty in Canada is that, despite being one of the wealthiest countries in the world, it still faces issues related to poverty and income inequality. We are reaching out to you with an opportunity to make a difference in the lives of those affected by poverty. **On September 24, St. Charles Parish** is once again extending its support to the **Immaculate Conception Soup Kitchen**, located in the North Point Douglas area of Winnipeg. **This vital outreach program serves between 350 and 400 individuals and families, including the homeless and the working poor.** St. Charles parishioners are invited to make a financial contribution toward the purchase of food and drink for this essential initiative. Your support will enable us to provide bagged lunches and nourishment to those in our community who need it most. *Please make your cheques payable to St. Charles Ladies' Association.*
