### SOCIETY OF ST. VINCENT DE PAUL YEAR END REPORT

We began our inaugural year as a parish conference for the Society of Saint Vincent de Paul with enthusiasm, plans

MAY 2, 2021

and hopes, anxious to be out in the community starting our Vincentian outreach. Then Covid struck. Although we were unable to conduct in-home visits, we remained in touch with our families through phone calls, ensuring that they were supported. Thanks to your generous donations, not one person was turned away.

We assisted a total of 44 families consisting of 50 children under 20 years of age and 82 adults. Support ranged from email information on the latest government and community food assistance available as a result of Covid, to food card assistance, utility payments, clothing and mattress assistance, back to school supplies, refurbished computers for those entering high school or post-secondary school, Thanksgiving food support and our Angel Tree program of food cards and Walmart cards for Christmas gifts. This year we are noticing the needs of our families are increasing as government assistance for Covid support decreases. It will be an even tougher year for our families.

Our conference members would like to thank you for supporting us through a most challenging first year. We hope that you will continue to support us as we walk alongside our neighbours through their challenging times. They are so appreciative of your generosity. Thank you so very much.
