MARRIAGE TIP OF THE MONTH: It is true to say that no two people think exactly alike and that is why being married can sometimes be challenging! What makes complete sense to one person, may not make sense to the other; what one likes the other may not; what is funny to one, may be anything but to the other! It is important for married couples to constantly remind themselves that marriage does not mean you are exactly the same. Allow room for differences and don't judge your spouse on your own likes and desires, but instead try to move together to a more neutral place that you can both live with. And sometimes, agree to disagree! Your spouse has many diverse qualities, embrace them when you can and work to negotiate when you can't, so love will flourish and provide a strong foundation for all of it! THE YEAR OF THE FAMILY

SPEAKER SERIES 

AGING WITH WISDOM

AND GRACE is the fifth talk for the Hamilton Diocesan Speaker Series. Using her own experiences and the

wisdom of her contemporaries, Dr. Elizabeth Bookser Barkley will explore some of the physical, emotional and psychological issues we face as we age. The presentation will be interactive, challenging participants to reflect on their own aging journey. Pope Francis has repeatedly spoken of the importance of the elderly in our society, so join us to embrace this important stage of every person's life. Dr. Bookser Barkley, Ph.D., is a professor of English at Mount St. Joseph University in Cincinnati, Ohio. She is the author of four books, including *Life After Death: Practical Help for the Widowed*, and numerous other feature articles. She is married, the mother of three daughters and the grandmother of seven. Join us **Wednesday, May 18 from 7-8:30 p.m.** Check the Diocesan website at <https://amorislaetitia.hamiltondiocese.com/> for more information on the series and to register. For more information contact Teresa Hartnett at thartnett@hamiltondiocese.com, or 905-528-7988 ext. 2250.

PARENTING TIP OF THE MONTH:

As the buds begin to sprout and the weather allows us to head outdoors more often, take some time to

discuss the importance of God's created world with your children. Point out the connectedness of each of us to nature and our dependence on it to survive. Help them understand that every person is tasked with being a steward of God's world. Explain how we can each participate in caring for nature and remind them that when we each do our part, nature thrives and so do we.
