**ONE HEART, ONE SOUL CAMPAIGN** comes to **St. Mary of the Visitation Parish**  
The Diocese of Hamilton's One Heart, One Soul

Campaign has raised more than \$16 million so far, with most of it benefiting parishes and the projects of their choosing.

**Our parish will kick off its participation in the campaign on October 17-18.**

**Thank you to our campaign volunteers.** Fr. Love is so grateful for parishioners who are working on preparations for the One Heart, One Soul Campaign. With their help and yours, we believe the campaign will strengthen our parish in important ways and help build a culture of stewardship.

For the next few weeks, we'll feature **Frequently Asked Questions** about the campaign. For the full list of FAQs and much more about the campaign, visit [www.oneheartonesoul.ca](http://www.oneheartonesoul.ca)

*Q. Why are we doing the campaign? With the virus, shouldn't we be focused on other priorities?*

A. From the beginning, this campaign has been primarily about strengthening our parishes. Because of the pandemic, our parishes have even greater needs than when we started. The campaign offers parishes the opportunity to better fulfill their missions.

*Q. How can we ask for money from people who lost their job or are otherwise hurting financially because of the virus?*

A. We certainly are very sensitive to the struggles parishioners are facing, whether related to the virus or not. Meanwhile, some parishioners are in a position to give now, and they want to help. The campaign gives them the opportunity to help and the confidence of knowing how the money will be used. Be assured that only those who are able to give are expected to do so, and ultimately the decision is between the donor and the Lord.

*Q. What changes are being made to the campaign process because of the current situation?*

A. The options for parish projects that utilize campaign funds are even wider now and can include efforts to stabilize operating budgets. Also, safety is paramount, therefore, phone calls rather than face to face visits, will be utilized so that every parishioner's situation is handled safely, sensitively and appropriately.

## NATIONAL CATHOLIC HEALTH CARE WEEK

From **October 4 to 10**, we celebrate National Catholic Health Care Week across Canada. The Week recognizes the inspiring work of Catholic health care organizations in our province and across Canada. At the heart of Catholic health care is a deep respect for the intrinsic value and dignity of every human being and an unwavering commitment to serving all people, from all backgrounds and faiths—especially society's most vulnerable.

This year the COVID-19 pandemic transformed our health care landscape and society. In Canada, the pandemic has shone a public light on many important social and ethical issues calling us all to reflect on the importance of human connection, quality of life, and the meaning of wellbeing—body, mind and spirit. The pandemic has also highlighted the timeless relevance of Catholic social teaching and our collective role in building a Canadian society that reaches out to every person who is suffering from illness, stigma, poverty, or loneliness.

During National Catholic Health Care Week, we give thanks for the courageous gift of Catholic health care during these challenging times—in hospitals, community health centers, or seniors care homes. The pandemic calls us all to live the healing ministry of Jesus Christ. Holding all those impacted by COVID-19 in our hearts, we ask God to bless the work of Catholic health care and we offer our prayers, support, and encouragement for the people of our Catholic health organizations who care for all in need with compassion and courage.

For more information about Catholic health care in Canada or the week, please visit the Catholic Health Alliance of Canada website at [www.chac.ca](http://www.chac.ca)

*Loving God, we pray for those who are receiving care in our Catholic health care organizations, especially those who are most vulnerable. May they find empathy, compassion, and the love of God in the midst of health difficulties. May they see the face of God in those who accompany them on their journey. Amen*
