## ShareLife

### “Living the Gospel” by providing summer camp for boys...

During his years as a young camper at Camp Ozanam, Niro experienced significant moments of personal growth in his life, which had a lasting impact on him. Later on, he became a staff counselor at Camp Ozanam, where he now has the opportunity to become involved in and positively influence the lives of current camp participants. “When you are with your brothers at camp, it is okay to show your feelings. These memories become important, because these kids really get to know each other and stand by each other. Thank you, ShareLife, for all the work you do to make this possible at Camp Ozanam!” says Niro. Last year, ShareLife-supported Camp Ozanam provided a unique camping experience for 600 boys from underprivileged homes in the GTA.

## Spiritual Corner

Excerpt from:

**St. Therese of Lisieux by those who knew her Testimonies from the process of beatification**

Edited and translated by Christopher O'Mahony.  
Published by Veritas Publications.

“In the course of her religious life she often had to suffer from people’s dislike of her, or from clashes of temperament or of mood, and indeed, even from jealousy and spiteful behaviour on the part of other nuns. Not only did she bear all this with patient equanimity, but she always tried to excuse their behaviour. She also sought the company of such nuns in preference to that of others, and showed them the greatest kindness. I considered the conduct of one of these to be particularly reprehensible, but Sister Therese insisted: ‘I assure you that I have the greatest compassion for Sister X. If you knew her as well as I do, you would see that she is not responsible for all of the things that seem so awful to us. I remind myself that if I had an infirmity such as hers, and so defective a spirit, I would not do any better than she does, and then I would despair; she suffers terribly from her own shortcomings.’” Testimony of Mother Agnes of Jesus (Prioress of the

Lisieux Carmel.)
