"Celebrating 50 years"

1986 - Church Renovations: In 1986, under Rev. Ron Morelli's pastorship, plans and preparations for a major update of the finishes of the Church were begun. Klaas Design was hired to create the plans for this major renovation of the Church. The communion rail step of the Sanctuary was reduced in size allowing the addition of a few more rows of pews to be installed in the Nave. The Nave's stacked bond concrete block walls were plastered and refinished. Oak paneling accents were added to the Sanctuary, Narthex and Reconciliation room. The Church nave's floors were carpeted for the very first time. The Nave's fifth pew section's pews were reinstalled so that they faced the Sanctuary better. The Main entrance's porch was enclosed creating the outer Narthex. All of the Church entrances' floors were tiled. The North pillar of the Church was replaced by two pillars to create a center aisle.
