### **Parenting Tip of the Month:** Pope Francis, in his

book *The Name of God is Mercy*, writes that "the family is the first school for children, it is the unwavering reference point for the young it is there that we have been loved and learn to love, have been forgiven and learn to forgive." As parents our role is to teach with love, to raise up children of faith and to teach the ways of mercy. Parents allow, elicit, or maintain behaviours by their response to their children's actions. A child's future ability to thrive depends on parents taking the time to create habits and behaviours that will lead to success. Schools of love provide support, love and discipline to help their children grow. (From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250)

**Marriage Tip of the Month:** In this Year of Mercy, the Pope calls each of us to engage in works of mercy. In marriages we can do this by striving to have a conciliatory spirit. This can be done by comforting our spouse when they are having difficult days, forgiving our spouse when they offend us in word or deed and by patiently bearing wrongs, while expressing what we need instead. Marriage is a place of intimacy and love - both are strengthened when we purposely practice a conciliatory spirit. (From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250)
