ECO CORNER

Care for Creation

This month, let us reflect on the wonder of how things grow from a tiny seed to the nutritional food on our plates & offer a prayer & support for our local farmers.

O God of springtime & harvest, you have created all things that live on this Earth. You hold us in your hands & feed us with the abundance of the Earth & the love of your Spirit. We thank you for farmers who toil long hours to raise the livestock, till the soil, plant seeds, & tend & harvest the crops that fill our tables with the gifts of nourishing food. We pray for favorable weather so that their crops & livestock may grow & produce abundantly. Loving God keep our farmers, their families & workers always safe day & night & grant them endurance, good health & rest. And bless them Lord, with comfort & prosperity. We ask this through Christ our Lord, through whom all blessings flow. Amen.
