Parenting Tip of the Month: Every child is a diamond in the rough, with value and dignity; a child of God. As parents we need to be generous in providing loving affirmation to our children, so they will grow to recognize their inner rich and vital gifts. A parent's love teaches a child to know God's love and to learn of their significance in the world. With love they will discover a mine full of gems within themselves. (From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250.

Marriage Tip of the Month: Men and women are sometimes said to be as different as night and day and yet, those two times of the day are united, blending into each other, each providing something to the world. As husbands and wives we bring unique qualities to our relationships, blending

together to make our own special union of love. Seeking to understand, accepting and embracing our differences and rejoicing in moments of similarity serve to create a

relationship that is both confident and loving. (From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250).

February is Farm Month in Hamilton: When you pray before meals spend a moment in silence to remember that Earth is holy ground, then ask for God's blessing on all farmers who work so hard to provide the abundance of food that we need to survive. Try to truly enjoy all of your meals this week remembering that the Lord has given us the fruits of the Earth. Pray that we work harder to be responsible and good stewards of God's sacred Earth. And don't forget...BUY LOCAL as often as you can. ~ *The Green Team*
