*Welcome into God's family Gillian Gris who was baptized in January.*

*It was 25 years ago, on January 28, 1988, that Canada's then-existing abortion law was struck down in a decision by the Supreme Court of Canada. That law was determined to be unconstitutional. Since that dark day in Canada's history, there has been no restriction on abortion; legal abortion can occur at any time before a child is born. In 2010 alone, the Canadian Institute for Health Information reports that 64,000 babies were killed by abortion; this does not include the number from British Columbia or Quebec. The unborn child is NOT deemed to be a human person, and has no rights or freedoms in law; Canada is the only democracy in the world with NO law even restricting abortion. This is a tragic and on-going reality.*

*Let us hope and pray that justice for the unborn child and recognition as a fully human person becomes an assurance in our law.*

*Please contact your Member of Parliament on this issue; your voice can be heard. Canada is a safe and beautiful country for us; please pray for God's continued blessings and for protection in law for all, to include unborn children, all lovingly created by God. For more information, please contact Hamilton Right to Life, (905)528-3065.*
