## **The Mission Statement of the Regina Mundi Green Team is**

We, the people of God of Regina Mundi Parish, have been empowered by Him to be stewards of His earth by protecting the land, water and air that we all share. Therefore, members of this ministry will endeavor to lead our parish Community in ways to live in harmony with creation through the elements of education, practice, example, spirituality and involvement.

Over the past 2 years the Regina Mundi Green Team has given you information on unnecessary idling; practiced greening sacred spaces around the church; we set an example by offering you an opportunity to safely discard old batteries, and today we offer the elements spirituality and involvement.

Next Sunday's readings and Gospel take us on a spiritual journey that speaks to us of what God has given to us on the earth and in the environment and thus our obligation to protect and preserve it for the good of all.

You and your family can get **involved** by completing the personal pledge printed in next Sunday's bulletin. You and /or your family may decide to pledge to reduce harmful idling, buy from local farmers, reduce the use of chemicals inside and outside the house, reduce water usage...or any other way to be more green and to be good stewards of our mother earth.
