"Fatal Flaws" Film Screening: The Dangers of Medical "Aid" in Dying Law

Are assisted dying laws leading society down a dangerous path? It's time to learn about the issue as it is experienced in lived reality. Local filmmaker and Kevin Dunn has spent the past three years travelling throughout Canada, The Netherlands, Belgium and the USA to learn more about the answer to this important question. **Critics say "Fatal Flaws" "is a must-see for every patient, person or medical caregiver** who wants to understand the difference between medical killing and medically-responsible caring. The film is produced by DunnMedia in association with the Euthanasia Prevention Coalition. Join us and learn more **on Monday, June 25th at 7p.m. at Silver City Hamilton Mountain Cinemas.** Tickets can be purchased online, or/and to find out how to bring the film to your area contact FatalFlawsFilm.com or by emailing margaret@dunnmedia.ca.

Most Blessed Sacrament Parish's Youth Ministry is hosting **Vacation Bible School (VBS)** for children in JK to Grade 4. VBS is a week long opportunity for children to explore

God's word. This year's theme is *High Seas*, which the children will learn about God's word through sailing the high seas. The half day program is free to all children. Information and registration forms can be found in our parish's Narthex or through their website blessedsacramenthamilton.com. Any questions can be directed to Ashely Neto at blessedsacramentyouth@hotmail.com. Registration closes June 30th.

Do you have ideas on how to support families in our Diocese? We want to hear from you! "The family is the community in which, from childhood, one can learn moral values, begin to honor God, and make good use of freedom. **Are you willing to add your voice at our gathering this fall to discover ways we can help families?** If yes, call Lena at 905-528-7988 ext. 2249, or e-mail familyministry@hamiltondiocese.com.

Parenting Tip: Experts have known for a long time that what children can't express they act out. As parents it is our role to analyze what may be causing poor behaviour and then help our children identify and work through their angst. Once children learn to use their words and express their feelings, life will be calmer in your household and they will gain skills that will help them throughout their lifetime. When your children act up, suppress your anger and help them to understand what is really going on; you will find both of you will be smiling more often
