**Training in Christian Healing – An opportunity for learning.** Presented by Henri Lemay, President of the Catholic Charismatic Renewal Services. This formation in healing series is the outcome of the November 2001, symposium held in Rome which concluded there was a need to train people in the areas of healing from the perspective given to us through our faith and Christ himself. Level 2 will be offered July 30 – August 2. This program will provide learning, praying, and ministry practicums, providing the tools needed to assist people through the work of this ministry. To register: Mary Ann Crosland (905)469-9930 or Ina Caplette (905)510-7930.

**Marriage Tip of the Month:** As spring arrives most people move outdoors and observe their living quarters from a different vantage point. They discard any garbage that has accumulated over the winter, pull weeds, turn the soil over, spread fertilizer and plant flowers, all so they can enjoy their gardens as the summer months unfold. It is good now and then to do the same kind of maintenance on your marriage. Take the time to sit down and have a discussion about what bad habits, poor communication, or other actions have accumulated in your marriage that are acting as excess garbage. Discuss ways of discarding the old habits and discern ways to move forward so that together you can plant new methods of being, speaking and loving each other. Big or small changes can result in healthier connections, allowing you to truly enjoy the summer and autumn of your relationship! (From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250).
