ECO CORNER

Care for Creation

In his Encyclical Letter *Laudato Si'* On Care For Our Common Home, Pope Francis writes....

The Lord invited others to be attentive to the beauty that there is in the world, because he himself was in constant touch with nature lending it an attention full of fondness and wonder. As he made his way throughout the land, he often stopped to contemplate the beauty sown by his Father and invited his disciples to perceive a divine message in things...(Laudato Si' 97)

As we enjoy summer let us slow down & be aware of GOD's amazing gifts all around us. Let us STOP, absorb the beauty, be AWARE that every living thing that we see, walk on, touch & feel, is a miracle, thoughtfully & lovingly engineered & crafted by God. Let us be SILENT & REFLECT on this miracle & let us give THANKS for the wonders, even in the tiniest living thing that we SEE, it is all the work of His hand, bestowed to us with the greatest love.
