ECO CORNER

Lent is a good time to introduce more meat free meals.

It takes more land and water and 10 times the energy to produce animal than vegetable protein, so this Lent why not cut down on the amount of meat you eat? According to UN specialists, one meat-free day per week would help tackle climate change more than reducing car journeys. The UN Food and Agriculture Organization says that livestock production is one of the major causes of the world's most pressing environmental problems, including global warming and land degradation.

'...in the Gospel ...Jesus says of the birds of the air that "not one of them is forgotten before God". How then can we possibly mistreat them or cause them harm? (Laudato Si' 221)

The beginning of holiness is a good confession
- St. Teresa of Kolkata

Peter, John and James had a mountaintop experience with Jesus by witnessing His transfiguration. We too can have a mountaintop experience when we open our minds and hearts to following God's Will for our lives. If God is calling you to be a priest, religious or deacon, contact Bishop Wayne Lobsinger, Director of Vocations and Priestly Formation, Diocese of Hamilton (905-528-7988).

The CWL would like to thank all who contributed to the **Canadian Food for Children Collection**. The donations were overwhelming. We were able to deliver a skid full of various items for donation. These items will be sent to Angola. Many children and families will benefit from everyone's generosity. In addition to the food collected we also collected \$903.00 which will be used by CFFC to purchase items that are especially needed. Thank you also to all who helped with the sorting and boxing of these items. This is a great help for delivering. After two years of not collecting because of Covid we are very grateful to everyone for their tremendous support. Thank you.

Parenting Tip of the Month: Lent is a time of reflection for all Catholics and a perfect season to help children understand why we engage in prayer, works of charity, care for all and practising self-control, since all of these can bring us closer to God. Spend time on your Lenten journey as a family by attending Mass and discussing, in simple language, the readings you hear. Decide as a family on prayers and reflections to engage in each day of Lent and together look at how your family might use their resources to give to others. Your children can bring hope to the hearts of others during Lent and their spiritual journey will be enhanced by your presence and guidance. Family Ministry Office, 905-528-7988 ext. 2250.

Marriage Tip of the Month: The season of Lent is a perfect time to reflect on how we are living our lives according to God's call to discipleship and vocation. The vocation of marriage is an essential call since the Sacrament of Marriage is meant to be the visible sign or God's invisible love to the world. Lent then, is a perfect time to examine what you are bringing to your vocation, to see if forgiveness is readily available when needed and to contemplate whether you might make changes to better fulfill your call to marriage. As well, consider praying with your spouse, reflecting on a short Bible passage daily and working on holding anger during Lent, since all of these will strengthen your bond of love and bring you feelings of joy as the Easter season draws near. Family Ministry Office, 905-528-7988 ext. 2250.
