THE GREEN TEAM is proud to announce that the **YOUTH GROUP** has joined us to help bring you important information like this: Did you know that one drop of motor oil can render up to 25 litres of water unfit for drinking and one gram of herbicide can contaminate 10 million litres of drinking water? Please dispose of these and all hazardous household waste safely at a City of Hamilton Community Recycling Centre. The closest is at 37 Kilbride Rd on Hamilton Mountain. ~The Green Team

Parenting Tip of the Month: Spring is a wonderful time to point out the gifts of nature, given by God, to our children. Help them see the beauty of new growth and life; remind them

that what seemed lifeless, was really preparing for new growth; prompt them to recognize that with a little support, we can help nature reach its full potential. Our children too have unused potential given by God and with nurturing from loving parents, they will blossom and grow. (From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250)

Marriage Tip of the Month: The warmer days of spring prompt us to get outdoors to work and play at things we have not participated in during the colder days of winter. This is a great period to take the time to renew your commitment to work

and play together as spouses. In the rush of everyday life, we can forget to take time to nurture, spend time with and connect more fully with the person we have committed to for life. Spring clean your relationship – you won't regret it! (From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250).
