A Quote for the week:

"TRUTH is still truth even if no one believes it. A LIE is still a lie, even if everyone believes it."

Parenting Tip: Spring brings new joy and new opportunity as the weather warms and we spend more time outdoors. It is a great chance to draw our children's attention to the greening grass, flowers sprouting from the ground and leaves opening on the trees. Nature has a cycle and so too does life - remind your children of the creative power of God in making all this happen year after year. Help them to see our role in nature and how our Catholic faith calls us to respect, care for, love and nurture all of God's created gifts in this world, both human and those in nature. (From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250)

Marriage Tip of the Month: Two powerful indicators of the health of any relationship are how those involved communicate and settle conflict. Communication works best when people use positive methods: state clearly what you want or need, don't have serious discussions when one or both people are angry, express your love by telling your husband/wife what you love about them, show gratitude on a daily basis and believe you are on the same team, so a resolution must work for both. When we look at conflict as a way to reach out to our spouse and explore our differences, emotions and feelings, we begin to pull something positive out of what may seem at first to be a negative. Words can harm or heal, use yours carefully and properly and your relationship will flourish. (From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250)
