We thank you for your generosity

Fort McMurray Collection: A special collection will be taken on June 4/5 weekend, which will be sent, through our Diocesan Office, to the Most Reverend Paul Terrio, Bishop of St. Paul Diocese. Bishop Terrio has informed the CCCB that half of the receipts will be shared with the Ministerial Association of Fort McMurray. The other half of these funds, (which are not matched by the Federal Government), will help St. Paul Diocese to assist the parishes in Fort McMurray to rebuild or restore their losses.

Message from Fr. Charlie...

Have you completed the census yet? Guess what – I got the long form! Thanks to Lynda (office administrator), I was able to complete it. Please complete it, as accurate statistics are important for future planning.

“Celebrating 50 Years”
2002 - The “Underpinning” of the East Corner of the Church: On June 17, 2002, Bishop Tonnos granted Regina

Mundi Parish permission to proceed with the stabilization project that would halt the slow and gradual sinking of the foundations of the east corner of the Church. Rev. Wallace Metcalf was the Pastor of Regina Mundi at this time. The architect directing the stabilization project was Paul Bolland. Four engineering firms were used in consultation with the architect to devise a plan to install 14 helical piers to the east corner's foundation to stabilize the structure. The work for this project was completed on July 19, 2002.

Safeguarding persons most at risk: Bill C-14 is now before the Parliament of Canada. No matter how it may be amended, it is an affront to human dignity, an erosion of human solidarity, and a danger to all vulnerable persons -- particularly the aged, disabled, infirm and sick who so often find themselves isolated and marginalized. Moreover, it is a violation of the sacrosanct duty of healthcare providers to heal, and the responsibility of legislators and citizens to assure and provide protection for all, especially those persons most at risk. For information to share with others about the negative impact of physician-assisted suicide, visit www.hamiltondiocese.com or www.cccb.ca/site/eng/media-room/euthanasia-and-assisted-suicide/4463-campaigns-against-physician-assisted-suicide.
