Parenting Tip of the Month: Please, thank you, excuse me, these are all simple ways of being polite and using manners. Good manners benefit our children in several ways by: increasing self-esteem as mutual respect is established; generating positive attention and respect for and from people; developing an attitude of courtesy towards others; increasing friendships with peers. Children develop good manners through modelling, education and your expectations. Teaching manners helps them to become both confident and successful. (From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250)

Marriage Tip of the Month: Leftovers can be good, but most of us would not want to eat them every day! This is true when it comes to our married relationship as well. Occasional busy days or weeks may mean our spouse gets our leftover time, but when we make this the norm, our connection to each other starts to unravel. Time management ensures we accomplish what is necessary and important – make sure time with your spouse is a true priority. (From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250)
