Serving in the Love of Christ:

Publicly-funded Catholic Education has existed in Ontario since 1841, and its graduates have served the citizens of Ontario and Canada very well. Let us pray that the current generation of students in our publicly-funded Catholic schools will serve with the same spirit and generosity as the previous generations.

Catholic Education Week 2014 will be celebrated from **Sunday, May 4 to Friday, May 9**. The Catholic schools in our parish will engage in a series of events and activities to celebrate the ongoing gift of publicly-funded Catholic Education. Please contact your child's school to discover what celebrations will be taking place, and plan to attend if possible

Parenting Tip of the Month: Easter is a wonderful time to help our children understand the power of love and forgiveness, shown to us by the death

and Resurrection of Christ. As children of God they too are called to love others, especially their family members, and to offer forgiveness when someone hurts or offends them. Remind them that Easter teaches us to remember that when difficulties come into our lives, as they will, we must have faith that life will get better. The message of Easter, through the Resurrection, is that with faith and prayer, life's crosses can be overcome. A wonderful message for every child to understand! (From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250)

Marriage Tip of the Month: Our marriages are supposed to reflect, through our love for each other, how much God loves each person. Showing this

Godly love can sometimes be a challenge, especially when our human selves are less than perfect!

When we set our minds to consciously changing how we act, we can do better. Pope Francis encourages us to, "Set your stakes on great ideals, the ideals that enlarge the heart, the ideals of service that makes your talents fruitful...do not be afraid to dream great things!" Dream great things for your marriage and your love will flourish as God intended!
