ECO
CORNER

On Caring for Creation, Pope Francis says in his encyclical letter Laudato Si ...

19. "Our goal is not to amass information or to satisfy curiosity, but rather to **become painfully aware**, to dare to turn what is happening to the world into our own personal suffering and thus to **discover what each of us can do about it**".

Start by looking around your home to see what plastics you can stop buying like plastic cutlery, straws, bottled water etc. Soon there will be more plastic in the sea than fish. How does God feel about that?
