Parenting Tip of the Month: Day, a day we give thanks to all those who have died for our protection and freedom. It is a wonderful month to speak to your children about others who have gone before you. Share the legacy and traditions your ancestors have left for your family and the influence they have had on your lives. Talk to them about how we honour them by our daily actions and remind them to pray for them, not just in the month of November, but all year long. November is a month to discuss our own history, but also the history and traditions of our Catholic faith: All Saints Day, All Souls Day, attending Mass, the prayers we say at Mass, prayers before meals and bedtime, to name a few. Those that have gone before us have influenced us; let us help our children know and reflect on all they have left us.

Marriage Tip of the Month: As winter approaches, we move into maintenance mode: we clear the gutters on the roof so water can flow freely, we change to winter tires to prepare for the coming cold and snow and we gather and store outdoor summer items from the yard to keep safe for next year. Do we take the time to offer maintenance to our most important relationship? Do we discuss shifting roles as our family changes and then discuss what we both need to stay happy and healthy? Do we check to see if we have prioritized each other instead of everything else? Do we spend time making sure our finances are in order? Do we pray together for patience, love, kindness and compassion to grow and strengthen in our relationship? Maintenance takes time, but for love to thrive, it is so necessary.
